3 Easy Steps to Property Security

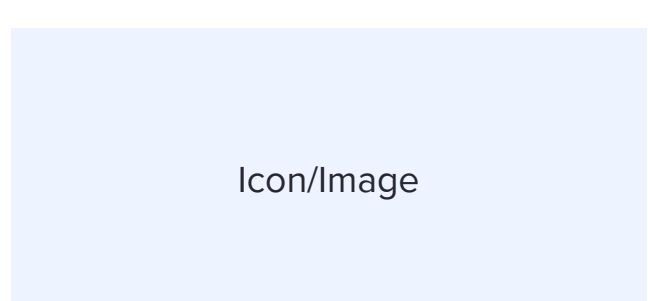

1. Schedule a free on-site audit

We'll make recommendations for camera and sensor placements based on your property and needs.

2. We install equipment & train you.

Our technicians will install your new equipment following industry standards and ensure you know how to monitor, modify, and activate your new system from anywhere.

3. Enjoy peace of mind.

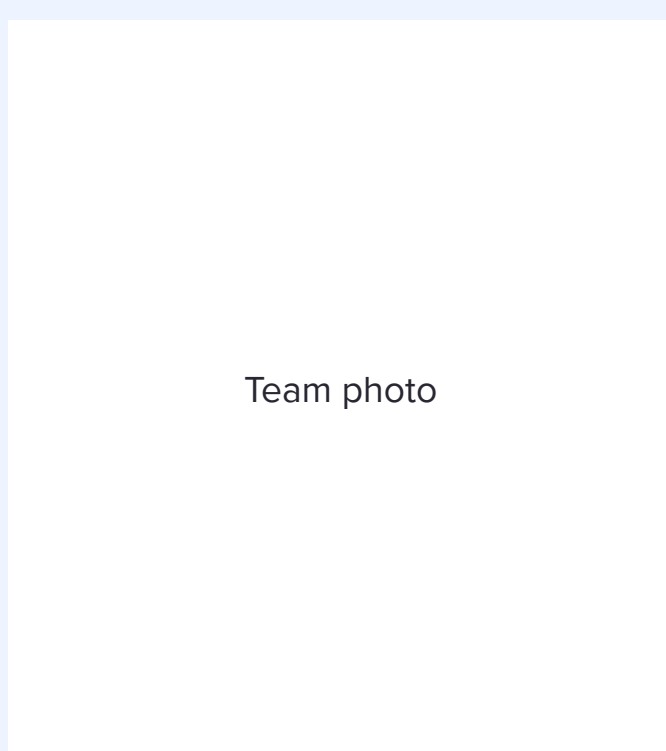

With your new security systems, you can relish the solace of controlling access and functions from anywhere. If you need help, we offer next day support.

SCHEDULE A FREE ON-SITE AUDIT

We know how scary it can be to hear of neighborhood break-ins and damages.

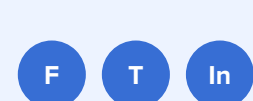

That's why you deserve the best in home and business security. At Laswell Security & Automation, we've protected hundreds of properties in the Louisville, KY, area and have over 40 combined years of experience. And unlike with other vendors, you'll get the highest quality equipment and software available, no matter your property's size.
